

This course is specifically designed for dental professionals who want to lead themselves in a positive and forward thinking direction.

Dentists, owners and office managers receive three days of interactive exercises, lectures and hands-on training, resulting in accelerated management expertise.

Business Management can make or break your practice. This course is a must for both established practices, as well as those ready to start a practice from scratch.

3-DAY COURSE
AUGUST 20-22, 2009
DALLAS, TX

Over the course of the three days, you will have an opportunity to not only learn, but also practice the strategies learned. You will gain valuable skills to enhance the daily operation and management of your practice.
